The screenshot shows the 'Create your ORCID iD' registration process, specifically step 2 of 3: 'Security and notifications'. At the top, there is a progress bar with three steps: 1. Personal data (completed), 2. Security and notifications (current step), and 3. Visibility and terms. The main content area is titled 'Create your ORCID iD' and 'This is step 2 of 3'. It features a 'Password' input field with a help icon, followed by three checked requirements: '8 or more characters', '1 letter or symbol', and '1 number'. Below this is a 'Confirm password' input field. The 'Notification settings' section explains that ORCID sends email notifications about items related to the account, security, and privacy, including requests from ORCID member organizations for permission to update the record. It also offers an option to receive emails about new features and tips, which is currently unchecked. A note states that to receive these emails, the user must verify their primary email address. At the bottom, there are 'GO BACK' and 'NEXT' buttons.
